### Coffee with a Copper

My name is David and I am your Community Officer within Kincardine and Mearns and I am inviting any member of the community to join me for a coffee or tea and effectively ask any questions or discuss topics that they wouldn't want to do via 101 (non-emergency Police contact number).

I am attending one of your local community halls

FETTERCAIRN CHURCH HALL

FRIDAY 4<sup>TH</sup> NOVEMBER 7.30P.M. -8.00P.M.

I am ultimately here for you and your community and issues that can be covered are as followed;

- Security advice
- Recruitment advice
- Parental advice on current drug, alcohol and technology/cybercrime issues facing youths today.
- Neighbour disputes
- On occasion I will bring other officers of specialisms with me (fraud, home security/safety advice)
- full anonymity for advice so what is discussed stays between yourself and me.

This list is not exhaustive and available for any questions you may have.

This will not be a crime recording service but should you want advice and assistance on how to use website then this can be catered for.

I hope to see you there and look forward to meeting you.
